

# NANBAN GUSARI WALL HANGING

## MATERIALS FOR THIS PROJECT:

- Pipe cleaners
- Scissors
- String

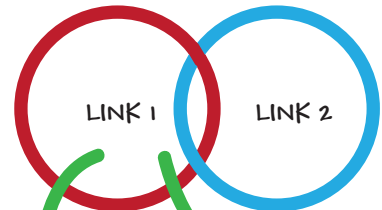

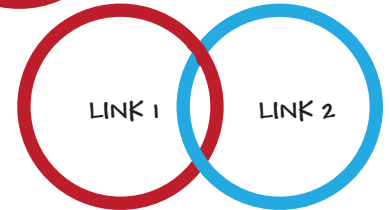

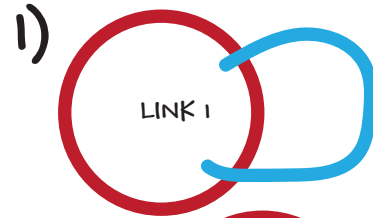

## To Make NANBAN GUSARI Chainmail:

1) Take a pipe cleaner and bend it into a circle (LINK 1). Holding your circle flat, loop another pipe cleaner through one side and make into a circle of the same size (LINK 2). You now have two circles linked together side by side.

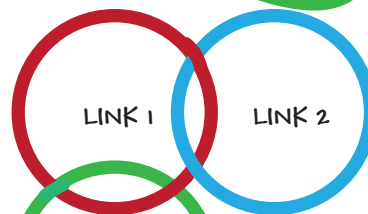

2) Next take a pipe cleaner and loop through the bottom of LINK 1. Make into a circle of the same size (LINK 3).

3) Now loop a pipe cleaner through the side of LINK 3 and the bottom of LINK 2. Make into a circle of the same size (LINK 4).

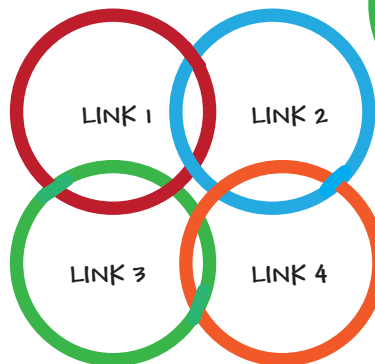

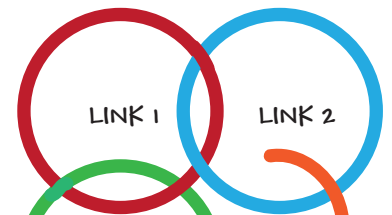

4) Repeat steps 1-3 until you have made your chainmail wall hanging the desired size. Tie a string to the top for hanging and admire your work!
